As a citizen of Connecticut I am tired of having to battle these unjust laws year after year. These laws do not stop crime. They only infringe on our rights. The laws currently on the books rarely get unforced to the full extent, yet CT continuously tries adding more laws that will not stop an individual who's intent is to harm others.

I am in opposition of S.B. 16

I oppose this Bill for many reasons. 1. This Bill targets law abiding gun owners by allowing an officer to stop a citizen without just cause and show their firearms license without any suspicion of committing a crime. 2. If I have the right to peacefully protest, and I have the right to open carry and concealed carry, I should be able to do both at the same time. 3. Banning others stabilizing braces and the like takes away a tool used by disabled Americans to protect themselves. These 3 among many other reasons are unjust.

This law is ridiculous. If I am allowed to purchase, own, and carry a firearm, I should be able to spend my money on whatever I choose to. This law would not stop any crime. It would only limit law abiding gun owners that purchase their firearms legally.

I support S.B. 388
